## Engineering Design Challenge 5.0

# RiFA: Robots in Football Association - EMEA Cup

## Steps to view the Field Drawings

Viewing the field drawings of is recommended since it will give you a real perspective on the setup of the field and the position of the goals and the field dimensions.

The field drawings were created using Solidworks 2018. They are zipped in the Field Drawings section on the competition website <http://aubrobotics.com/edc>.

If you already have Solidworks you can use it to view them. However, if you do not have it proceed with this guide.

- 1) Go to <https://www.edrawingsviewer.com/> .
- 2) Press the download button in green on the top of the home page.
- 3) Choose your operating system (windows or mac) and proceed with the installation.
- 4) You can also download eDrawings on your mobile phone and use it to view the drawings.
- 5) Once it's downloaded unzip the field drawings file and open the edc\_field.SLDPRT with eDrawings
- 6) The use of the app is very easy, you can move, rotate and zoom on the drawings

For any questions and concerns, please contact the EDC organizers at [edc@aubrobotics.com](mailto:edc@aubrobotics.com).
